PUBLIC PARKING RATES
ROYAL ALEXANDRA HOSPITAL

Alberta Health Services (AHS) introduced new public parking rates on April 1, 2014.

Daily maximum, weekly and monthly parking rates at all facilities across the province will be reduced from previously approved rates because of GST exemptions legislated by the Federal Government. 30 minute parking rates will stay the same as 2013. To address public concerns associated with the cost of parking for long-term patients, AHS continues reduce or hold monthly rates at most facilities.

Health care dollars are used to fund patient care services at the Royal Alexandra Hospital, not its parking lots.

AHS parking facilities that charge are required to be self-sustaining.
